

① BUS SERVICE

- Adequate - ppl who use it, seems fine
- for the # of ppl who live here - fine -
- sufficient
- ✓ better shelters - more shelters
- Routes that serve SENIORS - fixed route + B line
- What is the cost to SRS.
- times that coordinate to the CTR.
- Switch ~~at~~ ~~from~~ Palm - to Van Lan - ~~to~~
- ~~Bus~~ ~~to~~ ~~me~~ - not many houses ON Palm
- moved the stops but not the curb cut

o moved the stop & took over

Private property
van loan & halboot

o Schedule is simple

o OK

② IMPROVE PEDESTRIAN + WHEELCHAIR ACCESS

- UNlevel - need repairs
- Street intersections - Not just sidewalks - for w/c access - patches don't hold
- need more curb cuts - not just where the bus goes for all

③ CROSSWALKS / SIGNALS

- Striping
- Winnebago & Art
 - NO signal for pedi
 - Where did extra money go?
- Staples & Winnebago
 - NO signal
- Overpass - 137 important to students
- need crosswalks on access / heritage road
 - lights too - pedi + traffic
- MLK as well

④ SLOW TRAFFIC

- now & then
- Kennedy Ave
- no speed humps
- North & So streets
- most ppl drive ok
- ~~Hubert~~ Halbert - no stop signs
+ John →

⑤ STREET / SIDEWALK CONNECTIONS

- not just sidewalks
- pot holes - patches
come up
- Q about St CONNECTIONS
DURING CONSTRUCTION
→ also crossing 137

⑥ ACCESS TO/FROM NEIGHBORHOOD

- What streets will close
 - ↳ make up for that
 - heading in the right direction
 - Keep access for seniors to DLW.
 - ↳ What ~~will~~ will happen
- During construction

Other

- clean up pieces illegal dumping area

- PARK dollars where ppl are moving away from

- move pool to a location where ppl are

- population base is moving

- concerns about contamination IN WASH / lakes

① Bus service? How to improve?

- Current Bus routes marked in red on map.
- Bus stop closer to Port of Hatch
- Stop change of Buses @ Palm and ~~Keapke~~ Keapke for in-bound & out-bound
- Sunday routes for churches
- improve turning radius to improve Bus maneuver.
- Maintain Street - Potholed by Buses.

② Locations in the neighborhood that could be improved to accommodate pedestrian and wheelchair access? where?

- new sidewalks on Hatch & Port
Have ramps - need new sidewalks along bus routes
- more lighting and benches busstops.
- wheelchair access in all of Hillcrest and Washington-Coles
- Plan for Ped traffic in new FR Box
 - Improve ped access across I 37 on Port.
 - More maintenance on exist. Ped Bridge @ Van Loan Ave.

③ Locations that need improved crosswalks and signals?

- improve crosswalks across PORT Ave.
- Advance Redesigning of Church (at Broadway & Port) and others
- Crosswalks on Port Ave
- Stop/^{light} condition at Port & West Ave

④ Need to slow down traffic?
Where?

- Port Ave. reconstruction
increased speeds. Need to reduce.
- improve traffic flow in ~~the~~
Washington-Cdes area.
- improve sight distance at
Port and WB Frontage Road
- Palm Drive due to limited residents
causes people to speed.

⑤ Links or connections between
streets or sidewalks? Where?

- new connection from Hillcrest
to Washington - eads Chipton St
to John St

⑥ Improve Access To and From
neighborhood to other parts?

- Separate bridge for peds.
instead of Tanchuq or Carancaban
- maintenance of Necess Bay Blvd.
due to refinery traffic.
