

EIS Public Hearing Comments

US 181 Harbor Bridge Project

CSJ: 0101-06-095

June 2014

Environmental Affairs Division

Background

Transportation Code §201.811(b) and 43 TAC §2.107(e)(2) both state that for a public hearing regarding an EIS, the project sponsor will document the number of positive, negative, and neutral public comments received. This information must be presented to the commission in an open meeting and reported on the department's website in a timely manner.

US 181 Harbor Bridge Project, Nueces County, Corpus Christi District, CSJ: 0101–06-095
