access

- generally good bus service - will offer pick up service @ residences for folks who need it.

Q: Sidewalks

- Wheelchair access needs improvement.
- + Some areas could use improvement w/ cleanliness.
- could use crosswalks w/ red signals in high ped. traffic areas. could use better lighting on Port Ave. This is a high ped. traffic area. (Summer is marking the map).
- Need to restripe crosswalks too.

Q. Crosswalks.

Access from Neighborhood to Other Parts of City

- On some streets too many cars parked to allow access - may cut off commuter access + emergency service. Need better parking enforcement?
- Some other concerns from part of town may be improved by proposed H/B project

- Some issues regarding the intersection - not clear
 - Intersection issue about intersection
